

Thunder Bay Amateur Radio Club
January 26th, 2021
Minutes - Meeting conducted on Zoom

This meeting was just a discussion meeting starting at about 7:10 PM

President Doug, WD8Z – present
Vice President Jerry W8KQ - present
Treasurer Glenn WK8P – present
Secretary Dick W1UP - present

There were 12 members and 1 guest who signed into the Zoom meeting. Two members participated from Florida.

This meeting was more of a discussion session that included the following topics:

- We discussed among the attendees the following:
- Field Day 2020 – KG8N will visit the Fairgrounds to see if there would be a sport that would be workable for Field Day. Members were in favor of having a family picnic at Field Day as we have done previous years.
- KG8N – brought up the Parks on the Air and members thought that it would be a good idea to participate if only a few people could help.
- WK8P reviewed the club's finances.
- K8QBZ and W1UP will meet to discuss what can be done to have TBARC and NMARC to get the 440 repeater back on the air.
- W1UP mentioned that he is working on getting an exam session going sometime in February.
- Future meetings will be on ZOOM until we can meet some place, even if it is out of doors.
- The virtual prizes from the Christmas party were reviewed so others could see who got what and what was missed. Nobody got the K4.

We finished at about 8:20 PM.
