This meeting was more of a discussion session that included the following topics:

We discussed among the attendees the following:

- K8QBZ Discussed the 440 repeater status. Probably the best plan was to wait until the hospital building project was completed and get installed at the hospital.
- KG8N & WD8Z talked about their activation to the Devil's Lake Park activation. They were on the air between shortly after noon until about 2:45 PM. Had loads of fun and made about 60 contacts each on 40 and 20 meters and got very cold. They are anxious to do it again.
- WK8P reviewed the club's finances.
- W1UP talked about obtaining Tax Exempt status for the club. The officers will meet to discuss this and review there findings with the membership at the March meeting.
- Future meetings will be on ZOOM until we can meet some place, even if it is out of doors.
- The problems with the repeater use during the Sno-Drift Rally were discussed. WD8Z and/or WK8P will contact the rally folks and discuss what needs to be changed.

We finished at about 8:00 PM.
